

## BARGAINING SUPPORT FACTSHEETS AND NEGOTIATING GUIDES

# factsheet

Bargaining support factsheets provide key information and bargaining advice on issues raised by local negotiators. Many are regularly updated but to do this we depend on the information forwarded to us by UNISON members and branches. So please play an important part in keeping UNISON up to date on local negotiations and send in your local settlements to the Bargaining Support Group.

We welcome your suggestions on topics for further factsheets, as well as your comments on existing ones. To order factsheets or bargaining guides, contact the Bargaining Support Group at [bsg@unison.co.uk](mailto:bsg@unison.co.uk) or on 0207 5511 155.

All factsheets and bargaining guides are also on the UNISON website on the Bargaining Zone - [www.unison.org.uk/bargaining](http://www.unison.org.uk/bargaining).
